## ACKNOWLEDGEMENT

It is a pleasure to glance back and recall the path of traverse during the days of hardwork and perseverance. It is still great at this juncture to recall all the faces and spirits in the form of teachers, friends, and near and dear ones. I would consider this work nothing more than incomplete without attending the task of acknowledging the overwhelming help I received during this endeavor.

I place my deep sense of reverence in the feet of the **God Almighty** who has showered his boundless blessings on me enabling the successful completion of this research work.

I gratefully acknowledge **Dr. Rajesh G K.**, Assistant Professor, Department of Processing and Food Engineering and Chairman of the advisory committee for his keen interest and unending benevolence throughout my research work. I am happy to place on record my sincere thanks to **Dr. Jayan P R**, Dean KCAEFT, Tavanur for the help and support extended in completion of this work.

At the outset, it gives me immense pleasure to express my deep sense of gratitude to **Dr. Prince M V**, Professor and Head, Department of Processing and Food Engineering, KCAEFT, Tavanur and member of advisory committee for his abiding interest and helpful gesture, which I cherish forever. I forward my thanks and fervent gratitude to **Smt. Sreeja R**, Assistant Professor (Biochemistry), Department of Processing and Food Engineering, KCAEFT Tavanur. I feel very glad to express my ineffable thanks to **Dr. Lilia Baby**, Assistant Professor, KVK, Malappuram and member of advisory committee for her guidance whenever I required in completing this work.

I extend my unbountiful gratitude to **Dr. Sathian K K**, Former Dean, KCAEFT, Tavanur for his generous, candid affection and support during the study period. I accolade with gratitude the inordinate help and support provided by **Dr. Sajeena S** (PG Academic Officer), **Dr. Rema K P**, Professor, KCAEFT, Tavanur, **Dr.**

**Asha Joseph**, Professor, KCAEFT, Tavanur, **Dr. Abdul Hakkim V M** and **Dr Anu Varughese**, Assistant Professor, KCAEFT, Tavanur for their guidance. I do express my sincere gratitude to the Administrative Officer, KCAEFT, Tavanur for the support rendered in procurement processes for the machine in the execution of the work.

I proffer my heartfelt thanks to all staff of the AICRP on Post-Harvest Technology Laboratory of KCAEFT, Tavanur for their timely help and good words that supported me during my research work. I accolade with gratitude the inordinate amount of help rendered by **Mrs Geetha T R** (Lab Assistant), **Er Shamna N P** (Assistant Professor) and **Smt Sandhya P** (Skilled Assistant CE-PHT) for the help rendered during the execution of the work.

I place my deep sense of gratitude to **Mr Vipin**, **Mr Lenin M K**, **Mr Rajesh** and **Mr Prajith P** (Technicians ) for their valuable support and cooperation in developing and executing my work.

I use this opportunity to sincerely thank my dearest friends **Nandhini S**, **Vishnupriya M**, **Navya K P** and **Hyderali Shihabudheen U H** for the valuable suggestions and invaluable support during my work. I wish to thank all other faculty members of KCAEFT, Tavanur and staff of KCAEFT library Tavanur for their cooperation and help rendered during my research work.

Above all I am greatly indebted to my mother **Mrs. Zuhrabi K**, my father **Mr Abdul Hameed P**, my husband **Mr. Ahamed Khasim Kallungal**, my dearest daughter **Ezwaah Mehwish Kallungal**, my siblings **Mr Hafeez Mohamed P**, **Mr Shaheem P** and **Ms Hamna P** whose inspiration, forbearance and assistance during the period of thesis work empowered me to complete my work.

**Jahana Thasneem P**
